Dr. Henry P. Van Dusen

Dear Dr. Van Dusen:

Just before Mr. Dulles departed on a brief holiday down South, he asked that the attached galley proofs of "The Spiritual Legacy of John Foster Dulles" be returned to you.

He was most appreciative of your thoughtfulness in making this material available to him.

Sincerely,

Dear Pitt:

Paul Meacham of The Westminster Press was kind enough to send me your set of page proofs of your introduction to the book, "The Spiritual Legacy of John Foster Dulles."

I have read these with interest and am deeply moved by your thoughts. We are looking forward very much to the publication of this book. I know that Foster would be most gratified to know that his beliefs were being perpetuated in this manner.

Sincerely,

LBK
